Konadu Deny Herbert Mensah Children.. Despite Otumfuos's intervention

By Lawrence Ntow/political blogger

It has come to light that the legal tussle between renowned Ghanaian business man and former Asante Kotoko boss Herbert Mensah - who filed a motion in a juvenile court in Accra to have a 'formal and structured access' to his two daughters - and Dr. Zanetor Rawlings, mother of the two girls only came to a crescendo and in public only after several private interventions by several highly placed persons in the Ghanaian society failed to produce positive results.

This is because Mrs. Nana Konadu Agyeman Rawlings, mother of Zanetor Rawlings will not back down.

This is according to Manhyia palace sources, which also tells this reporter that, early in 2015, Mr. Herbert Mensah asked the Ashanti king to intervene with the Rawlings family who have over one year period denied Mr. Herbert Mensah the right to see and spend time with his two daughters, Zethe Maia Mensah, 7 and Rhia Lyza Mensah, 4.

Nana Konadu Agyeman - Rawlings, former first lady of Ghana and mother of Zanetor Rawlings however disregarded the Otumfuor's admonition to stay out of the issues between the two parents. She remained adamant and insisted that her daughter and her two children will have nothing to do with Herbert Mensah.

The recalcitrance of Mrs. Rawlings angered the Asante King who decided to wash his hands off the matter.

Mr. Herbert Mensah filed a motion for access to the two children at the juvenile court in Accra on November 24 2015. A few days after, a certified copy of the court writ has gone viral on social media

For several years, there have been rumors and media reports in Ghana of a relationship between Mr. Herbert Mensah and Dr. Zanetor Rawlings, first daughter of former President Rawlings.

These latest happenings have now confirmed these rumors, except it now appears to be a relationship gone bad.

And this is coming just a week after Zanetor unseated hon. Nii Armah Ashietey as NDC parliamentary candidate for Klottey Korle constituency in the greater Accra region for the 2016 general elections in Ghana.

Dr. Zanetor Agyeman Rawlings, has three children. Two of those children are born to Mr. Herbert Mensah while the other child is born to a white man.

Political watchers have suggested that these happenings could have far reaching negative implications for Zanetor's chances of winning the Klottey Korle parliamentary seat in 2016 if not managed properly.

As it unfolds, it remains to be seen how far this family feud turned legal tussle will go, as both families remain silent over the social media buzz of their personal family issues.

I do support what Mrs Konadu Agyemang Rawlings is doing. Y do u know the kids. Is high time Ghanaian men change their way. U walk into a formal prez HSE just to see children but not to marry her. Mrs add more to it. If u no get mother God ve mercy

If the formal president had disciplined his daughter she would not have romantic affair with someone old enough to be her father and have two children with him knowing the man was a married man. Now this same young woman has another baby with another man, she should be taught to close her legs and not to sleep around, that is what her mother should teach her.

The house of the Ex President of Ghana is not any different from any ordinary house. So pls kindly let us stop talking as who just walked into whose house to have children and go. I guess they both were once in love and as humans these things are bound to happen. So I suggest the two families should have a dialogue to find out why things have gone that way and then settle it. I therefore appeal to those who are judgemental to pls stop it and suggest ways to settle the problem

the courts can help Hebert. Nana K is just one "patapaa" woman she want to have her cake and eat it too.You remember how she tried to Wrestle the presidential crown from President Mills?Her daughter is grown up but using her all over everybody choosing how and who to sleep with. you cannot win all the time.... The court must help Hebert They are his kids, not JJ's....

Herbert Mensah's action is a "payback" to Rawlings destroy of his father's businesses and property.Its better that way and hope Zenator control her feeling and easy-go sexual attitude.

Don't make the same mistake I did and try to trade the Forex market that is a losing market for sure. Go to the website Traders Superstore, that's where I went now I'm trading the futures market which is so much better than the Forex. Trading the futures I've not had a losing week yet and I'm getting better and better at it.
